

Scottish Rain

By Tom Bryan

Gets in yer neb, lugs,
unner thi oxters tae.
Oan yer heid, in yer een
til ye're drookit, ken?

An it's aye cauld
an gaes sidie-ways.
Whit, warm rain?
Nae here (mebbe in Spain).

Woke up this mornin,
crawled oot o bed,
keeked oot thi windae pane
Aw naw! Rainin again!
