

$$9 + 2 = \square$$

$$2 + 9 = \square$$

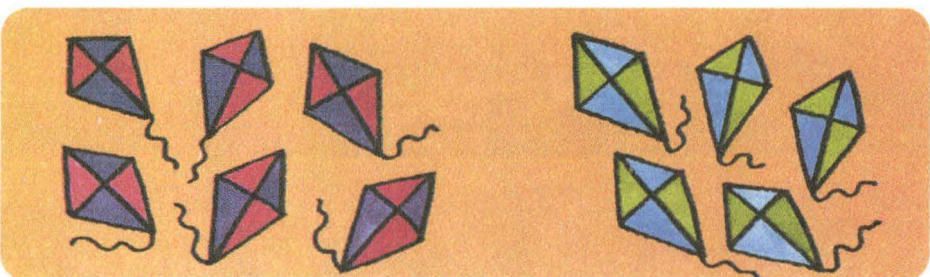

$$\square + \square = \square$$

$$\square + \square = \square$$

$$\square + \square = \square$$

$$\square + \square = \square$$

$$\square + \square = \square$$

$$\square + \square = \square$$

$$\square + 3 = 11$$

$$\square + 6 = 11$$

$$\square + 4 = 11$$

$$9 + \square = 11$$

$$2 + \square = 11$$

$$3 + \square = 11$$

Colour two  to make 11.
