

## Connectives

The following words are some of the more common connectives:

and, but, if, so, because, if, before, after, during, which, as, although, while,  
however, since

They can all be used to **join** or **connect** sentences together.

Below, these sentences have been started but are incomplete.

Your task is to complete each sentence using a suitable connective. Try to use a range of connectives in your answers.

1. It started to rain...
2. I played with my cat...
3. Sue really likes to play football...
4. Tim does not enjoy rugby...
5. I ate my lunch...
6. Learning at home is different...
7. He made a fantastic snowman yesterday...
8. I hope it will be sunny at the weekend...
9. We visited my gran's house...
10. My dad laughed...
