

Primary 7 Learning from Home Plan wb: 18th January 2021

Focus: Developing good habits for online learning

Numeracy

Literacy

Health and Well-Being

Welcome to online learning. Every day there will be two compulsory online learning sessions. Compulsory means you need to be there. The online learning sessions are in Teams. You'll see that I have set them up in the P7 Mathematics / P7 Literacy Team. We'll all be able to see each other, and I will give you time at the end of the session to chat with your school pals. If you can't be there, let me know on the chat or ask your parent to message the school. Attendance is recorded.

Online Session 11am

Online session 1:30pm

Health and Well-Being

Monday

OLI: I can join in online for Ninjas and use the four operations to work with decimals

[Join the Ninja session at 11am on the Numeracy Team. You just need pen and paper.](#)

Today's task: Adding decimals

Complete 2 sheets out of Bronze, Silver or Gold. All sheets are available on the [Mathematics Team assignment for this week](#).

Help Videos available here:

<https://wke.lt/w/s/aHhz79>

You can complete the exercises with the videos too to help you.

45 minutes independent maths work is enough.

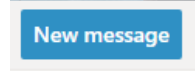

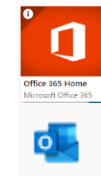

PLAY SUMDOG Day 4 of the competition

OLI: I can join in online for a Literacy session and practise using email in the correct format.

[Join the Literacy session at 1:30pm on the Literacy Team. You'll need a device that can access the Glow launch pad as we will be using email.](#)

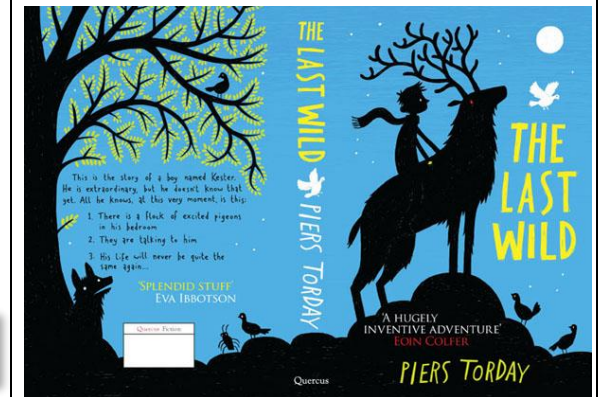

Today's task:

1. Login to Glow via a Chrome browser and open Microsoft 365
2. Once this is open look for the email icon on the left-hand side of the screen, it's called Outlook. Click to open
3. Compose an email to someone in the class, click new message on the top left-hand side of the screen.
4. All emails use polite speak. No text speak or gifs like instant messages.
5. Copy me into the email by writing my name in the CC tab. You should see my kiwi icon appear. Always write something in the subject

[Listen to a book](#)

I've made a collection of videos that you can listen to as part of silent reading. The first book I've collected is called, The Last Wild by Piers Torday. There are 39 chapters and you can listen to these whenever you like during the school day. It is a fantastic story, try listening to a chapter now. Click on book cover.

Tuesday

OLI: I can join in online for Maths Bot and use the four operations to work with decimals

[Join the maths session at 11am on the Numeracy Team. You just need pen and paper.](#)

Today's task: Adding Decimals
Continue with the worksheets. Alternatively, you can [watch the videos](#) and complete the equations on there. They have practice questions which you can complete and mark yourself like we do in class.

If you are completing the exercises with the videos let me know via Assignments.

PLAY SUMDOG Day 5 of the competition

OLI: I can join in online for a Literacy session use my creativity to write about a New Year

[Join the Literacy session at 1:30pm on the Literacy Team. You just need pen and paper and your imagination.](#)

Today's task: Today we will have a look at a New Year's poem. A reflection on last year 😞 and some hope for this year 😊. Join the call to get some ideas. You can write this on your own or collaborate with someone else in the class. If you are in school you can do this together, if you are at home you can work remotely, on the same document.

I'm hoping for some great work to add to our poetry blog.

Do something helpful for someone else.

Often doing something to help makes you feel better. Try it and see.

Ask a parent to give you one job to do that will take you between 30 minutes and 1 hour. This could be baking, gardening, tidying out a cupboard, hoovering, helping a sibling with their school work.

You never know, you might feel good when you are finished.

Wednesday

OLI: I can join in online for Ninjas and use the four operations to work with decimals

[Join us for Ninjas @11 am for some metal maths madness!](#)

Today's task: Adding decimals
Complete 2 sheets out of Bronze, Silver or Gold. All sheets are available on the [Mathematics Team assignment for this week](#).

Help Videos available here:
<https://wke.lt/w/s/aHhz79>

You can complete the exercises with the videos too to help you.

45 minutes independent maths work is enough.

PLAY SUMDOG Day 4 of the competition

OLI: I can join in online for a Literacy session and

[Join the Literacy session at 1:30pm on the Literacy Team. You just need pen and paper and your thinking skills.](#)

Today's task: *Comprehension Activity #6* p9 in the booklet. Read the extract on the Assignment (page 9 of the Doors booklet), or you can listen to the extract here. Answer the questions, use full sentences.

Activity #7 Grammar and sentence work p10

Complete exercise a and exercise b.

Upload your work to the assignment.

Outdoor Learning

Have a look at the Month of Outdoors grid attached. Choose something from this grid to complete.

If you can take a photo of what you have done and post it on the Nature's Wood chat for everyone to see.

Spending time outside is good for your heart and mind, even if it is cold.

Nature's Wood misses You!

Thursday

OLI I can solve a problem and explain my working

[Join us for Ninjas @11 am for some metal maths madness!](#)

Today's task: *If you haven't finished the assignments in the Maths Team do that, otherwise complete this [problem solving task](#). Post your ideas in the chat so you can talk about it with your classmates.*

If you can't access online download the sheet and play with a family member. The paper you need is [here](#) and on the website.

45 minutes independent maths work is enough.

PLAY SUMDOG last day of the competition

OLI: I can join in online for a Literacy session and discuss how to write a portal story.

[Join the Literacy session at 1:30pm on the Literacy Team. You just need pen and paper and your thinking skills.](#)

Today's task: Start a portal story about your Door!

We've been writing poetry, drawing doors and doing sentence work all about Doors. Today we will discuss and plan a portal story starting with thinking through the eyes of a character.

This is a planning time. Follow the exercises on Activity #8 and Activity #9 in the booklet. Write your ideas down in your home learning jotter. We'll share them next week. Write as much detail as you can. These details will help you write an excellent story.

MAKE SOMETHING TO EAT.

Try this 5-ingredient challenge. Go to the cupboard and find some ingredients, ones that you think will work well together.

Make them into an interesting dish, display, plate. Your dish could be savoury or sweet.

If you need to use anything that requires heat, check with your adult first!

Post a picture of your culinary creation.

Give it a name, present it to your favourite household member.

Friday

OLI: I can join in online for Maths Games and I can mark my maths work independently

[Join the maths session at 11am on the Numeracy Team. Today we will be doing a Maths Kahoot. You can make a Team with your family if you like.](#)

Today's task: Mark your maths work from this week. All the answers will be posted in the Team chat after 12 noon – when the assignment is past due 😊

DRESS UP DAY! Come to the Literacy session dressed up. You can wear a hat, a mask (not too scary) or a full costume.

[Join the Literacy session at 1:30pm on the Literacy Team. We'll be sharing ideas and funny bits from our diaries so far. You don't have to share but you might like to hear what others have written.](#)

Today's task: Did you start your diary last week? If not start today. If you don't have one walk along to school to pick one up. There should be a selection sitting outside reception. Update your diary with some good stuff. What did you do this week that was fun, what was boring, exciting? Did anything scare or excite you? What are you grateful for?

Get writing, be funny, be sad, be hopeful. You never know one day this diary could be FAMOUS along with its author.

Check out the help sheet with [this link](#) or on the website.

Join us live every Friday for fun, active French for primary learners!

- * French Fridays will be live online every Friday at 11.00 on our Youtube channel, [Lingobox Learning](#).
- * The sessions are recorded so can be watched afterwards.

- * Each session lasts 15 to 20 minutes.
- * The links to each of these live sessions are below!

<https://www.youtube.com/watch?v=rXAUh-pGYQ&feature=youtu.be>

Maths: This is a link to the entire set of Maths Ninjas if you would like to have a look or work through some more in your own time. <http://www.numeracyninjas.org/wp-content/uploads/2015/08/Series-A-Numeracy-Ninjas-Skill-Book-3-Sessions.pdf>

There is a [SumDog](#) Competition on this week! Log in and have a go. At least 5 people have to enter for us to qualify in the competition. Challenge a friend in the class. I have all your usernames and passwords. I will email them to you when you ask. They are the same as last year with Mr Liney.

Are you missing silent reading? Well don't worry click on [this link](#) to listen to a chapter everyday of The Last Wild by Piers Torday. It is a fantastic book. I know you'll love it!

MONTH OF OUTDOORS

With Love Outdoor Learning

MON	TUE	WED	THU	FRI	SAT	SUN
Art Can you collect leaves and make a leaf rubbing picture?	Scavenger Hunt Find 3 different leaves Can you ID them?	Game Can you play hopscotch?
