

Capacity

Draw something that:

1. holds more than a bucket

2. holds less than a saucer

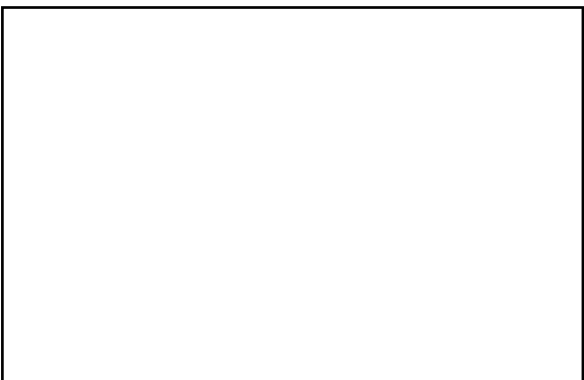

3. holds about the same as a mug

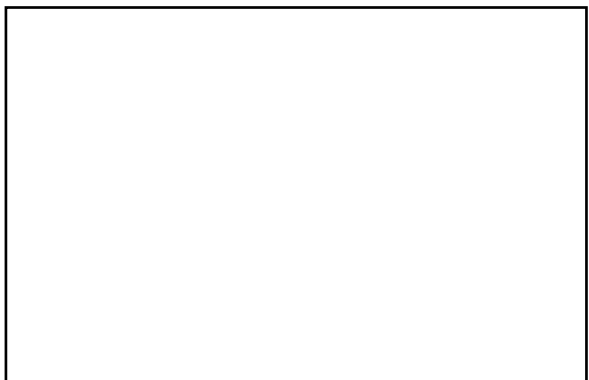

4. holds more than a sink

5. holds less than a pen-lid

6. holds more than a lunchbox

7. Which of the things you have drawn do you think holds:

the most? _____

the least? _____

I can compare the capacities of containers
