

Weight

Draw something:

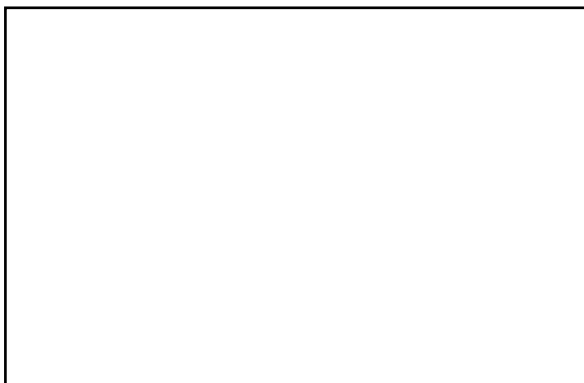

1. **heavier** than a TV

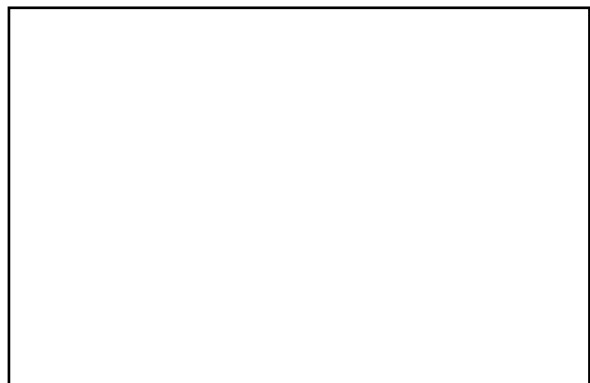

2. **lighter** than an apple

3. about as **heavy** as a pencil

4. **heavier** than a chair

5. **not as heavy** as a book

6. **lighter** than a tin of beans

7. Which of the things you have drawn do you think is:

the heaviest? _____ the lightest? _____

I can compare the weights of objects
