

Primary 2 Learning from Home Plan Week Beginning: 18th January 2021

Join our online session everyday at 11:30 https://teams.microsoft.com/join/19%3ameeting_Mzg1MjZlZGQtMDRmMS00YjNlTgyYictMTdjYmY3MjI2YjM4%40thread.v2/0?context=%7b%22Tid%22%3a%22776adce9-5d26-4749-a202-f09efe10590%22%2c%22Oid%22%3a%22814dbdb6-eaca-40f9-8306-1af1daf10fdb%22%7d

Click the link to join the session. The link will also be sent on Seesaw

	Literacy	Numeracy	Topic/ Other
Monday	<p>L.I: I am learning to plan a winter adventure story. Please use the storyboard to help you plan your story. Remember to use lots of describing wintery words in your plan.</p> <p>Use each box to draw a different picture in your plan and start of writing a new sentence each time. This will make it easier when you start writing your story.</p> <p>The link below is to give you some ideas. https://www.bl.uk/childrens-books/activities/go-on-a-winter-adventure</p> <p>Please read a book of your choice for 10 minutes a day. Learn to spell/meaning of any unknown or tricky words. Which bit did you like best and why?</p>	<p>L.I: I am learning to measure different weights,</p> <p>Activity</p> <p>Measuring - weight - baking</p> <p>One way that we use weighing in everyday life is when we bake, so I thought that today (or at some point through the week) you might like to make some scones with your family at home. You may not have used scales before, but I'm sure mums and dads will give you a hand to understand how they work. The man in the video makes quite a mess of his scone mixture, I'm sure you will be much tidier! Delia Smith says that you should mix the milk in using a butter knife to begin with, so I'd follow her advice. Let me know how you get on. Please take pictures too and post on Seesaw.</p> <p>If you have your own scone recipe you could use that instead.</p> <p>Scones - CBeebies - BBC</p>	<p>Snowy Animals Topic</p> <p>L.I. We are learning how to draw snowy animals Choose anyone or all if you like.</p> <p>Activity- Draw a cartoon fox https://tinyurl.com/y6ph37cu</p> <p>Draw a cartoon snowy owl https://tinyurl.com/yy87erye</p> <p>Draw a polar bear https://tinyurl.com/ya9l39mj</p> <p>Reading Books for the week</p> <p>Reading Book – all about Dragons https://teacher.gigletsedu.com/book/141/preview</p> <p>Reading Book - Eggles https://teacher.gigletsedu.com/book/314/preview</p> <p>Reading Book- Baby Bear https://teacher.gigletsedu.com/book/165/preview</p> <p>Reading Book – Chicken Licken https://teacher.gigletsedu.com/book/140/preview</p>
Tuesday	<p>L.I. I am learning to use my plan to write a winter adventure story.</p> <p>Use each new sentence to start off your story and add to each sentence as you are writing.</p> <p>Please read a book of your choice for 10 minutes a day.</p>	<p>L.I: I am learning to</p> <p>First of all, lets just remind ourselves about measuring. Tell someone in your house what you can remember from measuring yesterday. Then, have a look at the video, the girl in the video has made some mistakes with her measuring. Can you spot all of her mistakes? You might want to pause the video after each mistake to give you time to spot it. Now, your job is to pick a unit to measure with, for example, paper</p>	<p>P.E. with Joe Wicks</p> <p>https://www.youtube.com/watch?v=7bquE4Ukeow&feature=emb_title</p>

	<p>Learn to spell/meaning of any unknown or tricky words. Which bit did you like best and why?</p>	<p>clips, coins, cubes - it's up to you as long as they're the same size. Then find 4 different objects and measure them. Can you talk to someone in your house about these objects, after you have measured them, using words like: long, longest, short, shortest, tall, tallest Good luck!</p> <p>Introduction to Nonstandard Measurement for Kids: Using Paper Clips to Measure - YouTube</p> <p>Can you think of a more accurate way to measure things?</p>	
<p>Wednesday</p>	<p>L.I: I am learning how to sound out and spell 'ff' words</p> <p>Activity: complete 'ff' workbook Write at least three sentences using your spelling words. Learn 'ff' spelling words for spelling test on Friday.</p> <p>Please read a book of your choice for 10 minutes a day.</p> <p>Learn to spell/meaning of any unknown or tricky words. Which bit did you like best and why?</p>	<p>L.I: I am learning to measure and compare the lengths of objects using in formal measure.</p> <p>Please watch power point before attempting the activity.</p> <p>Activity-</p> <p>Measure the shoes belonging to different members of the family and put them order of size. Which is the longest and which is the shortest.</p>	<p>Education City Sumdog Reading Book – all about Dragons https://teacher.gigletsedu.com/book/141/preview</p> <p>Reading Book - Eggles https://teacher.gigletsedu.com/book/314/preview</p> <p>Reading Book- Baby Bear https://teacher.gigletsedu.com/book/165/preview</p> <p>Reading Book – Chicken Licken https://teacher.gigletsedu.com/book/140/preview</p>
<p>Thursday</p>	<p>L.I: I am learning how to use a verb. Activity: “Verb Chain” A verb is a doing word, e.g. talk, walking, eating. Please watch verbs PowerPoint. Afterwards go for a walk with a family member and see how long a verb chain you can make. Who has the longest verb chain? Please read a book of your choice for 10 minutes a day.</p> <p>Learn to spell/meaning of any unknown or tricky words. Which bit did you like best and why?</p>	<p>L.I: I am learning to measure and compare the lengths of objects and make estimates (guesses)</p> <p>Activity –</p> <p>Please complete six of the challenge cards provided.</p>	<p>Education Sumdog Reading Book – all about Dragons https://teacher.gigletsedu.com/book/141/preview</p> <p>Reading Book - Eggles https://teacher.gigletsedu.com/book/314/preview</p> <p>Reading Book- Baby Bear https://teacher.gigletsedu.com/book/165/preview</p> <p>Reading Book – Chicken Licken https://teacher.gigletsedu.com/book/140/preview</p>

Friday	<p>Friday Catch-up – complete any unfinished Literacy tasks. Write three sentences using this week’s spelling words. Practise spelling words.</p> <p>Activity: Rainbow Writing of spelling words Writing three sentences Complete any unfinished work Please read a book of your choice for 10 minutes a day.</p> <p>Learn to spell/meaning of any unknown or tricky words. Which bit did you like best and why?</p>	<p>L.I:I am learning to estimate the length of different items.</p> <p>Activity - Estimation</p> <p>Estimation</p> <p>You have been doing a great job of measuring using non standard units so far this week. Today we are going to move this on to estimating how long something is. Estimate is another word for guess. You need to pick one type of item to measure with today, maybe blocks, 2p coins, pencils, it's up to you, as long as they're the same size and you use the same item for your maths all day today. The next thing to do is to find something you want to measure, but before you measure it, I would like you to guess how long you think it will be. You could write you guess on a piece of paper, outside on the floor in chalk, or just tell someone. Once you have made your guess, you can measure your object and see how close you were with your estimate. Don't worry if you weren't very close, keep trying to estimate the lengths of different objects and I'm sure you'll get better at guessing the more you practise. Let me know how you get on!</p>	<p>Cosmic Kids Yoga - Friendly Wishes</p> <p>Happy Friday! Let's end the week by sending some friendly wishes out into the world. Maybe once you've finished, you might like to tell or call some of those people you sent friendly wishes to, to let them know, I'm sure they'd appreciate it! After you've finished, why not treat yourself to a Cosmic Yoga session. I hope you have a wonderful weekend. https://youtu.be/HtYIQiXyrsE</p>
Notes from the teacher	<p>Please could all pupils take a picture of their work and post it in Seesaw. I look forward to seeing you all on Teams at 11.30.</p> <p>Many Thanks Emma Ickeringill</p>
