

Primary 7 Learning from Home Plan wb: 11th January 2021

Focus: Welcome to online Learning

Numeracy

Literacy

Health and Well-Being

Welcome to online learning. Every day there will be two compulsory online learning sessions. Compulsory means you need to be there. Please let the school know if you do not have a suitable device – we may be able to help you out. The online learning sessions are in Teams. You'll see that I have set them up in the P7 Mathematics / P7 Literacy Team. We'll all be able to see each other, and I will give you time at the end of the session to chat with your school pals.

Online Session 11am

Online session 1:30pm

Health and Well-Being

Monday

OLI: I can join in online for Ninjas and revise equations to improve my marks

[Join the Ninja session at 11am on the Numeracy Team. You just need pen and paper.](#)

Today's task: Choose [Ninja Skill Focus Worksheet](#) from the selection.

Do at least 40 questions. These are for revision today. You can use them as daily warm ups to other maths as online learning progresses.

Ninja Skill Focus Worksheets can be found in a separate channel in the Numeracy Team. Do at least 40 questions from one skill or a combination. Let me know how you get on in the Teams chat on this channel.

More will be added each week.

OLI: I can join in online for a Literacy session and use my creativity to write about a door to another universe.

[Join the Literacy session at 1:30pm on the Literacy Team. You just need pen and paper and your imagination.](#)

Today's task: We are going to use a set of work about [Doors – A World of Possibility by Jaime Thomas](#). Today complete Activity 1 and 2. When you have finished the writing challenge share what you have done on the Team chat.

I'm hoping for some great work to add to our poetry blog.

Do something helpful for someone else.

Often doing something to help makes you feel better. Try it and see.

Ask a parent to give you one job to do that will take you between 30 minutes and 1 hour. This could be baking, gardening, tidying out a cupboard, hoovering, helping a sibling with their school work.

You never know, you might feel good when you are finished.

Tuesday

OLI: I can join in online for Maths Bot and revise equations to improve my Ninja marks

[Join the maths session at 11am on the Numeracy Team. You just need pen and paper.](#)

Today's task: Choose [Ninja Skill Focus Worksheet](#) from the selection.

Do at least 40 questions. These are for revision today. You can use them as daily warm ups to other maths as online learning progresses.

Ninja Skill Focus Worksheets can be found in a separate channel in the Numeracy Team. Do at least 40 questions from one skill or a combination. Let me know how you get on in the Teams chat on this channel.

OLI: I can join in online for a Literacy session use my creativity to create a door to another universe.

[Join the Literacy session at 1:30pm on the Literacy Team. You just need pen and paper and your imagination.](#)

Today's task: is to draw a fantastic door (Activity #3) and think about what might be behind it. If you haven't already, download the booklet from the Files section of the Literacy Team or on the school [website using this link.](#)

We will add beautifully drawn doors to the Poetry Blog along with your poems.

STEM

Use salt dough to design a character or make something for a younger brother or sister as a gift. It could even be jewellery to give to your mum or aunty or best friend. You could just make something for yourself. Go on, get creative!

<https://www.bbcgoodfood.com/howto/guide/how-make-salt-dough-recipe>

Wednesday

OLI: I can join in online for Ninjas and revise equations to improve my marks

[Join us for Ninjas @11 am for some mental maths madness!](#)

Today's task: MNU 2-04a Negative numbers. We had a look at this last term. I'll talk through how to solve these equations during the online session. Alternatively, you can watch one of these videos. They are numbered according to outcome.

[Bronze1](#) [Bronze 2](#) [Bronze 3](#)
[Silver1](#) [Silver 2](#) [Silver3](#)
[Gold1](#) [Gold 2](#) [Gold 3](#) [Gold 4](#)

Complete 2 sides or more if you need more practice. All sheets are available on the [Mathematics Team assignment for this week.](#) Extra sheets available if these are too easy! Just message me on Teams for these.

OLI: I can join in online for a Literacy session and find out about idioms and what they mean. I can work collaboratively with others

[Join the Literacy session at 1:30pm on the Literacy Team. You just need pen and paper and your thinking skills.](#)

Today's task: we will complete most of today's task during the online session. If you miss the session you can find it in the [booklet.](#) It is Activity #4

SOME LIGHT ENTERTAINMENT

[Go for a walk to the shops and buy a pack of balloons.](#)

Play balloon volleyball with someone in your family. For an added challenge play on your knees, use one hand or only use your head!

Thursday

OLI: I can join in online for Ninjas and revise equations to improve my marks

[Join us for Ninjas @11 am for some mental maths madness!](#)

Today's task: MNU 2-04a Negative numbers.

Continue with negative numbers using the worksheets. Alternatively, you can watch videos above. They have practice questions which you can complete and mark yourself like we do in class. If you are completing the exercises with the videos let me know via Assignments.

45 minutes independent maths work is enough.

Mathematics Team assignment for this week is due tomorrow. Extra sheets available if these are too easy! Alternatively, you could try the arrays to solve 2 x 2 and 2 x 3-digit multiplication. Videos posted on the Mathematics Team: Ninja Skills Focus Skills channel.

OLI: I can join in online for a Literacy session use my IT skills to upload to our Poetry Blog

[Join the Literacy session at 1:30pm on the Literacy Team. You just need your device and a pen and paper to take notes. We'll be reviewing how to ADD A FEATURED IMAGE to your poem.](#)

Today's task: How did you get on with The Magic Box poem by Kit Wright? Your poem has had time to rise so we'll go back to it today. Have a quiet read through, listen to some others from your class mates. What do you like best about your poem? What do you want to keep? What do you want to change? When you've done that upload to the Blog. You'll find a new parent page called, The Magic Box. I'll be online between 1:30pm and 3:30pm so you can ask a question if you get stuck.

Remember image sizes for your door pictures are:
672 x 372 or 1038 x 576

**Get some exercise,
try this:**

**HIIT HOME
FITNESS
SESSION 1**

<https://www.youtube.com/watch?v=tXOZS3AKK0w>

**Beware, it's hard.
Will you be strong
enough?**

Friday

OLI I can solve a problem and explain my working

Try <https://nrich.maths.org/14314>

The Number Jumbler. Can you work out how the machine knows what you are thinking? Write your solution down (Explain your working carefully) and send to me via email.

You can access email via your launch pad.

1. Go to launch pad
2. Find Microsoft Office
3. Look down the left-hand side for email
4. Open email
5. Send me your solution:
gw09grantm@glow.sch.uk
6. Send someone else in the class an email

If that is too easy for you, try this one:

<https://nrich.maths.org/1172>

Code Breaker It's a cracker!

OLI: I can join in online for a Literacy session and get ideas for a Lockdown Diary

[Join the Literacy session at 1:30pm on the Literacy Team.](#)
[You just need pen and paper and your thinking skills.](#)

Today's task: Use your lockdown experiences to write a diary. Today's task is to find a suitable jotter to write in. If you don't have one walk along to school to pick one up. There should be a selection sitting outside reception. While you are there you could collect some other resources too. If you are in school, ask the teacher for a brand-new jotter. Decorate the front any way you choose.

Get writing, be funny, be sad, be hopeful. You never know one day this diary could be FAMOUS along with its author.

Check out the help sheet with [this link](#) or on the website.

Join us live every Friday for fun, active French for primary learners!

* French Fridays will be live online every Friday at 11.00 on our Youtube channel, [Lingobox Learning](#).

* The sessions are recorded so can be watched afterwards.

* Each session lasts 15 to 20 minutes.

* The links to each of these live sessions are below!

<https://www.youtube.com/watch?v=rXAUh-pGYQ&feature=youtu.be>

Ninjas: This is a link to an entire set of Maths Ninjas if you would like to have a look or work through some more in your own time. <http://www.numeracyninjas.org/wp-content/uploads/2015/10/Weeks-11-20-Series-A-Numeracy-Ninjas-Skill-Book-3-Sessions-Per-Week.pdf>

Finished everything? You could read a book, collage the cover of your diary, watch Our Planet on BBC (it's amazing).

As always, #be safe, #be kind, #get some fresh air, Mrs Grant
