

Edinburgh Dog and Cat Home

LI: to be able to make notes and organise them using a table.

Mike Nicholson mentions the Dog and Cat home. Have a look on the website and learn more about the cats and dogs that are looking for a new home.

<https://edch.org.uk/>

Consider what you'd like to know about the animals on the site. Create a table to organise and show information you find.

1- Think about what you'd like to research, what information do you think is important? (eg- name, type of animal, likes, dislikes and other information.)

2- Create a table that you can fill in. (There is an example below.)

Animal	Name	Description	Likes	Dislikes
Cat	Bamboo	Ginger and white stripes	To be alone Garden Head rub	Young children

3- Fill in your table!

Do you have a favourite animal? Why?
