

Design Challenge!

Now is the time to have some **FUN** and get **CREATIVE!!!**

We would like to see you design your own:

Cat Catching Device

Murdo and Fergus encountered the very clever cat catching invention in the novel this week... they thought about all the different senses: sight, hearing, touch, taste and smell... Can you do the same?

You can really build a cat catching device using junk or modelling bricks or draw a detailed diagram and annotate (label) it to show your thinking!
