

Primary 7 Learning from Home Plan wb: 8th February 2021

Focus: Planning your Biodiversity project

Numeracy

Literacy

Topic / HWB

Welcome to online learning. Every day there will be two compulsory online learning sessions; except Friday where there will be one session in the morning. The online learning sessions are in Teams. If you can't be there, let me know on the chat or ask your parent to message the school. Attendance is recorded.

Monday

OLI: I can do a Rigour assessment

Online session: 11am

Today's task: Rigour Calendar February

Complete as much of the calendar as you can. This will test what you know from the 2nd level curriculum. If you can't do a question either ask me in the chat or move to the next question. You have two days to complete this. Answers will be posted after 12 on Tuesday.

3rd level calendar available on request.

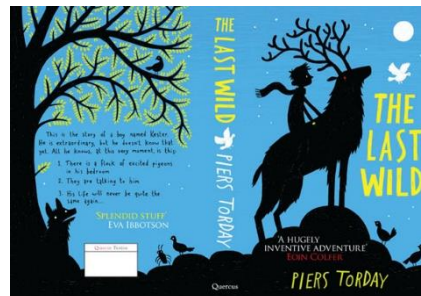

OLI: I can finish off my work

Online session: 1:30pm

Today's Task

You have 3 choices today:

1. Work on your story
2. Finish your Nature's Wood letter if you haven't already done so
3. Add a poem to the blog or add featured images
4. Finished everything? Listen to the next part of The LAST WILD

Art Activity: Self Portrait

Self Portrait. Open the Art Activity Self Portrait pdf.

Have a look through and talk at home to see if you

- a) Would like to make one of these
- b) Have the necessary resources

If you don't have the necessary materials check out another activity here:

[Make a fruity pom-pom - CBBC - BBC](#)

Post what you make on the P7 chat for others to see.

Tuesday

OLI: I can do a Rigour assessment

Online session: 11am

Today's task: Rigour Calendar February

Finish as much of the calendar as you can. This will test what you know from the 2nd level curriculum. If you can't do a question either ask me in the chat or move to the next question. Answers will be posted after 12 on Tuesday.

3rd Level calendars available on request.

Upload your marked work to the assignment.

Biodiversity Project

<https://wke.lt/w/s/wCAqDV>.

Independent Learners! To help prepare for the transition to S1 you are going to plan your own project to study under the theme of Biodiversity.

You will be learning to use some new technology called a Sway. It is available on the Microsoft 365 package and available online. Our Virtual Assemblies are on a Sway.

Go back to your mind map from last week. If you didn't do one, please take time to look at the videos and websites in the link above.

Fill in the worksheet on the Assignment to let me know what you would like to study and what you will start with.

Finished? Want more? Start your research!!!

Today is: Safer Internet Day!

Parents and Families

Safer Internet Day or SID is all about being safe online and protecting ourselves. The best way to learn about this is to talk with others. [Check out this link](#), share it with your parents and decide what you would like to talk about.

You could look at resources with your brother, sister, or friends, if you can connect online.

The videos below are a good place to start:

<https://video.link/w/T2XNb>

<https://vimeo.com/480849087>

Wednesday, Thursday and Friday.

You have been working so hard and I am very proud of your efforts. Have a break, do something that makes you happy, be kind to your family, breathe deeply.

Remember you are strong, you will get through this, and I miss you. *Mrs Grant*

We have a Virtual Assembly for you to view at your leisure! There are photos and videos of home learning adventures (some of our class), stories and a lovely message from Mrs Marshall. [Click on the link to see.](#)
