FREQUENTLY ASKED QUESTIONS

What if this is the first time my young person is attending the Transitions service?

We recognise young people may be anxious joining a new service. Therefore, we can arrange a visit for the young person to visit the building with a parent/carer to familiarise themselves with the space, the staff and share any questions or worries they may have prior to the groups.

What if my young person finds it challenging to attend for the full session?

We recognise some young people may find it demanding to attend a two-and-a-half-hour session. The young person is welcome to attend for a shorter time, such as an hour slot and build up the time slowly. Please get in touch with us to arrange this prior to the session.

What if my young person wants to attend a session with a friend?

We encourage friendships within PAS but due to confidentiality we cannot share information regarding other young people's bookings. Both young people need to be registered with the service and we advise parents/carers to contact one another to arrange booking in. The parent/carer can advise staff of friendships for group allocations.

What if we can't attend a session we have booked in for?

We allow a 7-day grace period from the date of the confirmation to cancel the booking without incurring a charge. If cancelling after this, you will be required to pay the full amount of the confirmed groups. We appreciate if you could let the staff know the young person won't be attending as soon as possible as we can offer this space to another young person.

What if I have difficulties completing forms?

If you struggle with the booking form process, please get in touch with the team and we can look at alternative methods of completing the booking.

How do I contact the Transitions Team with further questions?

We can be contacted on our email address; transitions@perthautismsupport.org.uk

*Or you can phone PAS on **01738 451081** and ask for the Transitions Team.*

We will endeavour to do the best we can to help with your enquiry. Please also follow our PAS social media pages for regular updates.
