

Nursery news

Week commencing 06/05/24

Messy Play

We have a miniature zoo set up in the nursery just now following from the children's continued interests in animals. Miss Rocsik has turned this in to a sensory area with an aquarium for the aquatic animals and mud for the farm animals. We also had to use money to buy our tickets to get entry.

Planting

This week Miss Menzies has been helping us sow seeds. Some of these are in individual pots that we can take home and some are to go out into the nursery planters.

Role Play

For the past two weeks our numeracy focus has been about learning to use money in play and real life situations. Miss Crouch has set up 4 shops in the nursery, a hairdressers, a toy shop, a card shop and a clothes shop which are set up with tills and pretend money. We have also been talking about contactless and using cards.
