Sugar Gliders visit

To enhance our learning within the children's interest of animals and pets, Mrs Wallace-O'Donnell brought in her two Sugar gliders for a visit. We went into the quiet room in small groups to ask some questions about them and watch them in their special tent. Next week we have another special animal coming to visit us in the nursery.

Outdoor play

We have been accessing the campus multi use courts to do small group outdoor learning/P.E. Each staff member runs a fun activity that each group rotates round. We are also getting some sports day practice in!

Outdoor Art

Miss Rocsik took our art lesson outdoors this week. We all worked together to paint giant pieces of paper which, when dry, will go towards a bigger art project that we are working towards. Hopefully you will all see this on our next open afternoon.
