

Nursery news

Week commencing 10/06/24

Block Play

The children always have access to block play in the nursery. Block play is essential to children's everyday play as it helps to develop motor skills, spatial awareness, and problem solving skills to name a few. It is great to see the children's imagination come through in their creations. This week we have had ramps, bridges and boats being made.

Making Ice cream

Mrs Kelly made ice cream with the strong start 2's this week. They helped from the start by chopping up bananas and putting them in the freezer overnight. The next day they helped to blend the bananas with a splash of milk and voila! Healthy banana ice cream.

Outdoor drive thru and coffee shop

Miss Crouch helped to develop our mud kitchen into a coffee shop. We are developing our writing skills when taking orders and using our motor skills to mix, pour and carry our coffee orders.

Other Information

Dates for the Diary

Pre-school graduation – Thursday 20th June 2pm

End of term – Thursday 27th June at 12pm

Preschool transitions will run every Wednesday and there is a list of what will be happening on each transition day on the nursery foyer information board.

Sun Cream

As the weather is getting warmer can parents, please send their child in with suncream already applied or with a labelled bottle in their bag for staff to help them apply.
