Week commencing 17/06/24

Performing Arts

Our literacy focus for the last two weeks of the term is 'reciting familiar songs and rhymes.' Miss Rocsik has set up a stage performance area and we have been enjoying hearing lots of the children's favourite songs being performed.

Obstacle courses

We have been building obstacle courses to develop our balancing skills and our spatial awareness. We have a variety of larger items for the children to choose from to create their own obstacle courses. This builds team work and social skills.

Planting with Miss Menzies

We have done some more planting in the raised beds with Miss Menzies this week. We have been sowing wild seeds around the playground that will give the garden some more colour. Everyone has been taking turns to water them and check on any new sprouts.
